

If you are a diabetic covered by private insurance, Medicare, Medicaid, or Tricare, you might be able to receive supplies at little or no cost to you.

Best of all, you can have someone else do the paperwork for you. And the supplies will be delivered directly to your door.

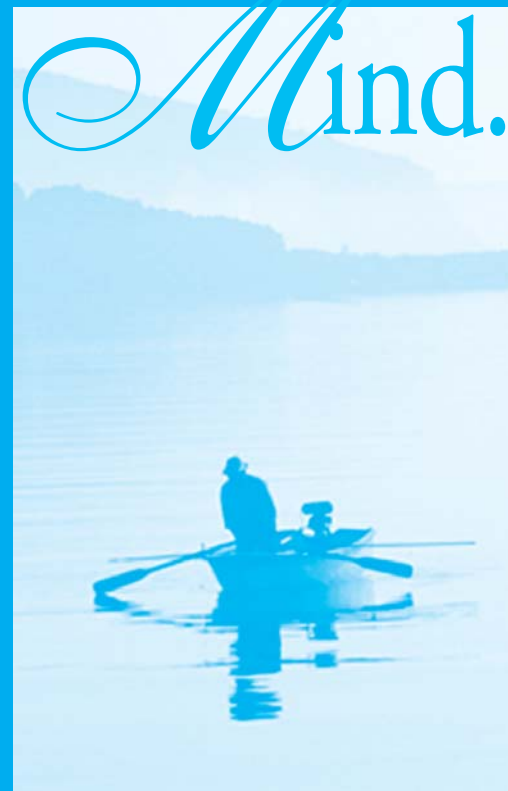

To find out if you qualify, call:

Convenient

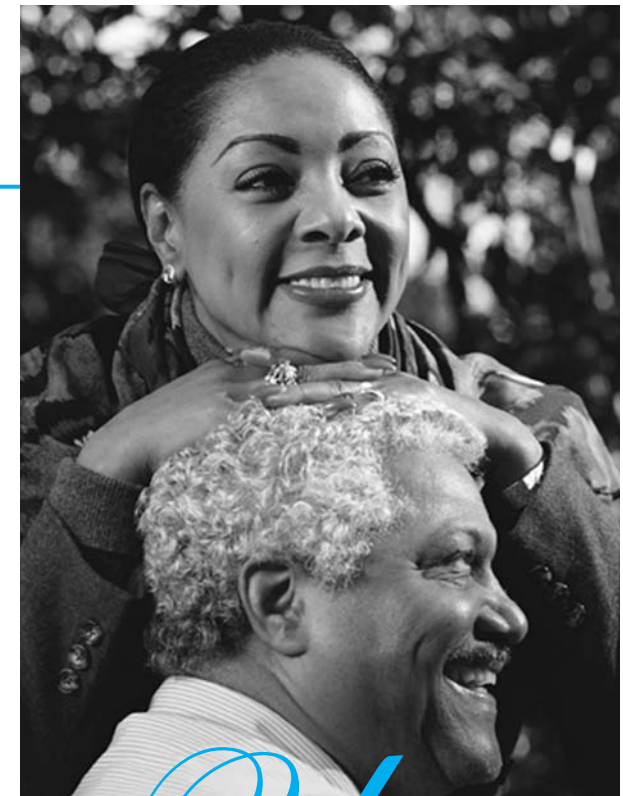

Most of our customers qualify to receive everything they need: test strips, lancets and lancing devices, meters, syringes*, batteries, control solution. If you have Medicare, Medicaid, TriCare or private insurance, one phone call to 1-800-575-2291 is all it takes.

We'll take care of all the paperwork. We'll also let you know what your insurance covers. We'll deal with Medicare, Medicaid, or your insurance company and then ship your supplies directly to you each month. You'll never again have to deal with an insurance form when purchasing supplies.

*Syringes are not covered by Medicare.

Unique

There are other diabetic supply companies. What's different about Carolina Diabetic Supply Group?

We care about you. We're personal. And we're informed so you stay informed.

As a CDSG customer, you will receive the latest information about insurance changes, cooking recipes, and legislative news. We stay in touch with the world, so we can stay in touch with you.

When it comes to the diabetic supplies you need, Carolina Diabetic Supply Group can help ensure your peace of mind. Imagine the ease and convenience of ordering from home and having your supplies delivered directly to you. Little or no cash out-of-pocket. No waiting for insurance reimbursement. No confusing forms to fill out. And no more costly trips to the pharmacy. What could be easier?
